LAMINATE COLLECTION **7462**

2

Construction - Constructed of thermally fused laminate and engraved wood materials. Desks, credenzas, cabinets and bookcases feature mortise and tenon, glued, stapled and screwed construction and all drawers are French dovetailed for maximum strength and durability.

Styling - Essential elements of traditional design; shaped top edges and base mouldings, picture frame mouldings, recessed modesty panels, black drawer interiors and brass finish hardware along with a Sherwood Mahogany finish, are incorporated in the Andover Series.

Function - All cases are equipped with easy to adjust floor levelers. All drawers are suspended on fully-extending, metal ball-bearing slides. File drawers accept front-to-back or side-to-side letter or side-to-side legal hanging files.

Computer applicable furniture feature cable grommets or other openings allowing for neat and easy cable management.

Combine traditional styling with Andover's matte finish for ultimate comfort in your work environment. Thermally fused surfaces prevent nicks and scratches and showcase a beautiful Sherwood Mahogany finish. Large executive desks feature a 10" overhang for in-office conferencing.
