VENEER COLLECTION 7750

2

*Construction - Chassis construction is of wood, wood veneers and select wood product and detailed with decorative cherry, inlaid veneer and walnut banding with an NC lacquer finish. Cases feature mortise and tenon construction with wood cleats, glue, screws, staples and threaded inserts with bolts. Drawers feature dovetailing and are constructed with solid wood sides and backs with veneer and veneer banded fronts and three-ply bottoms. Drawer interiors are sealed.*

*Styling - A Medium Walnut finish highlights this transitional styled group. Details include solid wood bases, shaped moldings and pilasters and ebony inlay borders. Drawers feature plated brass finished pulls.*

*Function - All drawers are suspended on metal, ball-bearing, fully extending slides. Box drawers have a 100 lb. load bearing rating; file drawers have a 150 lb. load bearing rating. File drawers are equipped with a metal filing system to accept letter or legal size hanging files. Task lighting is included on overhead units. All cases are equipped with levelers to adjust for less than even flooring. Center drawers are designed to function as a conventional center drawer or as a keyboard drawer. Locking drawers are found through-out the series.*

Updated classic design elements come together to create an exceptionally handsome, refined look that is Arlington. A multi-step, Medium Walnut finish showcases expertly proportioned base, waist and crown moldings, angled corners and framed pilasters and pewter finished hardware. Tops are adorned with Marquetry veneer pattern along with decorative walnut veneers with ebony accents to polish off the style.
